

## **Mechanic / Electromechanic Technician**

Wigwam Mills, located in Sheboygan WI, is a long-standing leader in US based development and manufacturing of high quality, performance socks for over 110 years.

We are looking for skilled Mechanics / Electromechanic Technicians for our knitting department to continue our tradition of high-quality hosiery with a desire to excel in a fast-paced high-tech environment.

### **Job Requirements:**

- Strong mechanical aptitude and ability.
- Strong trouble shooting and repair skills.
- We will train the right applicant in all facets of computerized knitting machine repair, operation, and product development.
- Good interpersonal skills and the ability to multi-task in a fast-paced environment.
- Prior knowledge and experience on knitting machines of any type (preferred).

You will be offered a four-year inhouse Apprenticeship program upon hire.

Wigwam Mills offers a friendly work environment, excellent working conditions and a robust benefit plan.
