

ELECTROMECHANICAL TECHNICIAN/KNITTING MECHANIC – 2nd SHIFT

Wigwam Mills, Inc. is a long-standing leader in the US-based development and manufacturing of high-quality, performance socks. We work together as a team and know that our greatest asset is a loyal, well-informed employee. Founded in 1905 by the Chesebro family, Wigwam remains privately owned today. Come join our family-owned business, proudly located in Sheboygan, WI for over 110 years!

Do you have mechanical ability and enjoy troubleshooting and repairing machinery? Are you looking for a challenging career in a comfortable environment with an established company? If so, you could be the next Mechanic to join the Wigwam Mills team! We are looking for skilled Electromechanical Technicians/Mechanics with a desire to excel in a friendly, fast-paced and high-tech environment.

We will train the right applicant in all facets of computerized knitting machine repair and operation, including mechanics, electronics, pneumatics, computer programming, and product development.

You will be offered a 4-year, state-accredited Apprenticeship program upon hire, leading to Journeyman certification. All training and coursework related to the Apprenticeship is paid and is completed in-house within scheduled work hours.
